St. Joseph's Church, Garden City, NY

Holy Name of Mary, Valley Stream, NY

We are a fourth generation full service company specializing in the renovation/restoration of Religious Buildings and Properties. Our scope of work includes Interior Painting and Decorating, Sanctuary Renovations, Marble Renovation, Pew Refinishing, as well as Exterior Restoration work. Since the early 1920's, we have been involved in thousands of Church projects throughout the eastern United States.

We provide our own OSHA approved scaffolding in accordance with all safety guidelines, protecting all areas of the Church throughout each phase work. In any renovation, we strive to incorporate existing materials within new designs to honor the history of the Church and as a cost saving measure. Designs and samples of all proposed work are provided for consideration prior to implementation.

We offer free estimates and a five year guarantee on all work executed.

We work closely with each parish to assure complete and total satisfaction upon conclusion. Please visit our website to view our most recently completed projects, depicted from start to finish, so that you may fully appreciate the renovation/restoration process.
