

# SHERWIN-WILLIAMS®

PROVIDING INTERIOR/EXTERIOR PAINT, WALLCOVERINGS,  
WALL PROTECTION AND BLINDS FOR ALL YOUR FACILITY NEEDS

Sherwin-Williams, after 140 years in business, has become the largest manufacturer in the USA of paint and coatings serviced through over 3,300 company owned stores.

Special pricing is now available for the Diocese of Rockville Centre and related organizations. A new Regional Account Agreement has been created to cover paints and supplies needed to handle projects big or small.

Sherwin-Williams specializes in supporting wholesale customers in the following markets of education, health care, commercial and property management with many valuable services.

In addition to aggressive pricing, the account agreement allows the Diocese of Rockville Centre and related organizations to take advantage of the following services regardless of project size:

Free on site support with inspections, recommendations, problem solving and material cost estimates

Free local delivery - no minimum required

Free capital project/maintenance tracking services:

- We provide written specifications
- Customized formulas, colors & products purchased are archived for six years
- Maintenance reports can be created to assist in ordering products and colors used within a facility by area and location

Color Services:

- Free color consults with interior designer
- Free color matching
- Free color imaging for exterior schemes
- Free computerized color matching, tinting & mixing

Our highly professional trained staff and field representatives in any of our 17 Long Island locations will make sure your next project runs smooth and successfully with expert tips and answers to common painting questions.

...serving you wherever  
and whatever  
you paint.

**PAINTS.** Need a paint that provides outstanding coverage and hide? Need a paint with low odor and low VOCs? Need a paint that's a great value and helps minimize labor costs? At Sherwin-Williams, we offer a full line of interior and exterior coatings that will keep every unit looking fresh.

**WINDOWS.** Yes, we do windows. Whether you want vinyl or metal mini blinds or vertical blinds, you'll find just what you need for the perfect fit every time.

**COLOR.** We offer more than 1,500 interior and exterior hues and design consultants who can help you choose the right colors. For qualifying accounts, we'll help prepare beautifully coordinated color schemes that are sure to please your residents. And for larger projects, we'll work with you to coordinate paint, wallcoverings, window treatments and floor coverings. Additional color services and color tools include:

**COLOR PHOTO IMAGING.** No need to guess what your properties will look like after they're painted. Let us show you a range of exterior color options to enhance curb appeal.

**SHER-COLOR™ ADVANCED COMPUTERIZED COLOR MATCHING TECHNOLOGY.**

Our exclusive color matching system ensures you'll get the color you expect every time. Custom formulations are archived for 6 years for easy retrieval.

**CAPITAL PROJECTS** At Sherwin-Williams, we understand the huge investment required for new construction or renovation and can help you select the high quality products that will ensure long-term value. We'll also provide written specifications prior to the start of the job. And we'll be there for you with on-site evaluations to ensure the specs are followed and your warranty protection is maximized.

**PROGRAMS FOR PROPERTY MANAGEMENT.** We're here to make your job easier. So we offer fast, free delivery and a variety of programs to meet your unique challenges.

**WALLCOVERING.** Have areas where wallcovering is preferred? No problem. We offer thousands of wall paper patterns from the brands you know and trust. And if you're looking for an economical solution, our private label brands will suit your needs.

**SUPPLIES.** From applicators and spray equipment to brushes, ladders, prep and cleaning supplies, we have the tools you need to get any job done.

**ENVIRONMENTALLY RESPONSIBLE OPTIONS.**

At Sherwin-Williams, we know that more and more you're interested in "going green." And we're ready with a wide range of products that deliver environmental responsibility, quality and durability. We also lead the coatings industry in implementing the best processes and practices that ensure air quality, treat wastewater, prevent pollution, reduce energy use, minimize emissions and manage waste.
